STANDARD TRANSPORTATION PACKAGING

QUICK-PACK

A standard single-way packaging used to transport fragile and sensitive products. Soft profiled PU foam (studs) will adapt to the product, secure it from all sides and so protect it against movement and damage.

The advantages of this packaging are:
Quick and simple handling
Highly variable application
Minimum weight
Affordable price
Materials are easily separated and fully recyclable.

7 standard sizes:

Size in mm	Studs thickness in mm	Number of packs in the carton
130 x 100 x 30	15	450
150 x 100 x 50	25	350
200 x 125 x 50	25	250
210 x 140 x 65	25	192
250 x 140 x 80	25	146
250 x 140 x 80	40	106
300 x 200 x 100	40	60

INTEROBAL[®]

LEADING PRODUCER OF TRANSPORTATION AND STORAGE PACKAGING

Production range

Constructive packaging
Transportation and storage packaging
Processing corrugated polypropylene
Plastic and aluminium cases with inlays
Technical parts and seals
Production of profiled PU elements
Storage packaging with non-woven textiles

Development

Our own development centre
Comprehensive packaging solutions
Production of prototypes
Bespoke packaging solutions
Testing and transportation tests
